The annual and special assessments, together with interest, costs and reasonable attorney fees, shall be a charge on the land and shall be a continuing lien upon the Lot against which each such assessments.

is made. Each such assessment, together with interest, costs and reasonable attorney fees, shall also be the personal obligation of the person who was Owner of such Lot at the time when the assessment became due. The personal obligation for delinquent assessments shall not pass to an Owner's successors in title unless expressly assumed by them.

- 4.2 <u>Purpose of Assessments</u>. The assessments levied by the Association shall be used exclusively to promote the recreation, health and welfare of the residents in the Subdivision, and for the improvement of facilities in the Subdivision. In addition, assessments shall be levied to provide for the proportionate burden of the maintenance of the common impoundment basin into which the Subdivision's surface waters drain.
- 4.3 <u>Maximum Annual Assessments</u>. Until January 1 of the year immediately following the first conveyance by Developer of a Lot, the maximum annual assessment shall be Four Hundred and Fifty Dollars (\$450.00) per lot. Subsequent assessments may be made as follows:
- 4.3.1 From and after January 1 of the year immediately following such first conveyance of a Lot, the maximum annual assessment may be increased each year by the Board of Directors, by a percentage not more than 8% above the annual assessment for the previous year, without a vote of the membership.

- 4.5 Notice and Quorum for Any Action Authorized Under Subsections 4.3 and 4.4. Any action authorized under Sections 4.3.2 and 4.4 shall be taken at a meeting of the Association called for that purpose, written notice of which shall be sent to all members not less than 30 days, nor more than 60 days, in advance of the meeting. If the proposed action is favored by a majority of the votes case at such meeting, but such vote is less than the requisite percentage of each class of members, members who were not present in person or by proxy may give their assent in writing, provided the same is obtained by an officer of the Association within 30 days of the date of such meeting.

4.8.2 The Association may bring an action at law against each Owner personally obligated to pay the same, and foreclose the lien of an assessment against a Lot. No Owner may waive or otherwise escape liability for the assessments made under the Covenants by non-use of the Common Area or abandonment of a Lot. The lien for delinquent assessments may be foreclosed in the same manner as mortgages are foreclosed in Indiana. The Association shall also be entitled to recover the attorney fees, costs and expenses incurred because of the failure of an Owner to timely pay assessments made under this Section 4.

4.9 Subordination of Assessment Lien to First Mortgages Liens.

The lien of the assessments made under the Covenants shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien against it. No sale or transfer shall relieve an owner or Lot from liability for any assessment subsequently becoming due, or from the lien of an assessment. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which become due prior to such sale or transfer.

Such delegation shall be made in writing, signed by a majority of the Committee members, and delivered or mailed to the Association's registered office.

In the event the Committee (or Board of Directors or other entity acting under Sections 5.2 or 5.3), fails to approve or disapprove the design and location of a proposed structure within 30 days after said plans and specifications have been submitted to it, approval will not be required, and approval under this Section 5 will be deemed to have been given.
- 5.5 <u>Sight Obstruction</u>. Notwithstanding any other provisions to the contrary in this section 5, the Committee may not approve construction or modification of any fence on Lots which, in the Committee's sole opinion, would create a sight obstruction of any lake in the Subdivision.
- 5.6 Non-liability of Architectural Control Committee. Neither the Developer, the Architectural Control Committee, the Association, nor any member, officer or director thereof, nor any of their respective heirs, personal representatives, successors or assigns, shall be liable to anyone by reason of any mistake in judgment, negligence, or nonfeasance arising out of or relating to the approval or disapproval or failure to approve any plans so submitted, nor shall they, or any of them, be responsible or liable for any structural defects in such plans or in any building or structure erected according to such plans or any drainage problems resulting therefrom. Every person and entity who submits plans to the Architectural Control Committee agrees, by submission of such plans, that he or it will not bring any action or suit against the Committee, the Association, or the Developer to recover any damages or to require the committee or the Developer to take or refrain from taking, any action whatever in regard to such plans or in regard to any building or structure erected in accordance therewith. Neither the submission of any complete sets of plans to the Developer

office for review by the Architectural Control Committee, nor the approval thereof by that Committee, shall be deemed to guarantee or require the actual construction of the building of structure therein described, and no adjacent Lot Owner may claim any reliance upon the submission and/or approval of any such plans or the buildings or structures described therein.
